

OC-1 Filtration Media

Product Data Sheet

Description

The filtration media is an extruded plastic compound comprising a base of High Density Polyethylene with Calcium Carbonate filling added to give a specific gravity greater than 1.12 SG.

Basic diameter: 10 – 13mm

Nominal Length: 7 – 12mm

Weight: range 150 to 210 kg / Cubic Meter

Colour: RAL 5015 Blue

Material: High Density Polyethylene with Calcium Carbonate (CaCO_3) additive in the range of 15 – 35%

Nominal Density between 1.15 - 1.21

Flexural modulus > 2,500Mpa

To the best of our knowledge, the information contained in this statement is accurate and reliable as of the date of publication. The information relates only to the product specifically identified in this document when not used in combination with any other products or materials. OCM Products Ltd makes no warranties, express or implied, and assumes no liability in connection with any use of this information.

Upon sale of OCM products, OCM Products Ltd warrants that the products conform to the applicable written specifications at the time the products are shipped from OCM's facility. All other express or implied warranties, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose, are disclaimed.

Purchaser acknowledges that it has sole control and responsibility to ensure, on a continuing basis, that the products and any method of use or application of the products are suitable for its purposes. Any assistance provided by OCM Products Ltd to purchaser relative to the product, including without limitation, formulation, manufacturing and testing for the use or application of the products for purchaser's purposes, is made without any express or implied warranties, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose.

OCM Products Ltd will not be liable for consequential or indirect damages and purchaser's exclusive remedy for claims (including claims for breach of warranty, negligence and strict liability) is limited to the replacement of the non-conforming products or the refund of the purchase price of the non-conforming products or, with regard to services, to re-process purchaser's materials.
